25X1 7. [ ] LIAISON Loch Johnson, Permanent Select Committee on Intelligence staff, called with two requests: (a) he asked me to give him citations either in Executive Order or in legislation which create impediments to CIA's involvement in counter-terrorists activities (with particular regard to national as opposed to international terrorists groups ). I said that I would check around and get back to him. (b) he asked me to find out exactly what the barriers are to CIA's destruction of documents (particularly the files on U. S. citizens). I told him that it was my understanding that the House Assassinations Committee had put a stand-down on our destruction of the files, but would look into it and get back to him.

25X1 8. [ ] LIAISON Dick Giza, House Permanent Select Committee on Intelligence staff, called to tell me there is a Belgium citizen in the group coming from Wilmington, N. Carolina Chamber of Commerce (which is visiting Representative Charles Rose (D., N. Car.) and which will be coming out to Headquarters on 12 May for an orientation talk). After talking to [ ] PA, I told Dick that we would need the man's full name, his address, the position he holds, his place and date of birth and citizenship. 25X1

25X1 10. [ ] LIAISON At the request of James Conley, OLC, I called Mike Epstein, Senator William Hathaway's (D., Maine) designee on the Senate Select Committee on Intelligence staff, to alert him of our concerns regarding S. 2529, a bill being marked up today in the Senate Human Resources Committee. I subsequently spoke with Lee Verstandig and Fran Paris, of Senator John Chafee's (R., R.I.) staff, regarding this legislation. All were most helpful and agreed to check with the Committee to ensure Agency interests were preserved. Subsequently, the Committee did vote to report the bill for Senate Floor action with CIA backed amendments intact.
